## PRESIDENT'S REPORT 1990

The 1990 season has been a mixture of frustration and elation. I cannot recall another like it during my association (although relatively brief) with the "Juniors".

Frustration commenced with the opening of the college rugby season when The Associated Schools downgraded our appointments by taking the Red Division 1st XV games from our control. We all know the outcome of that so there is no need for elaboration. Our GPS season went well with Ipswich and Toowoomba Grammar both expressing their delight at our members standard of refereeing.

Despite problems early in the year with the Under 17 games, I thought the Club season went very well, culminating with the Grand Finals at Ballymore where again there seemed no cause for complaint. Congratulations to all our members who were appointed (touch judges as well as referees) to the Grand Final.

My considerable thanks go to Simon McGarvey for once again carrying out a difficult task with the appointments. It is disappointing to note the increasing number of members who failed to arrive at their appointed fixture. If you don't want to referee, gentlemen, for goodness sake say so! This is a problem which will certainly have to be looked at before the 1991 season commences. Thanks also to the members of the Committee - Nev Newbold, Ross Mewett, Geoff Pegg (Vice-President), Bob Kersnovske (Secretary) and of course the ever-faithful Treasurer, Ces Menzies. It has not been an easy year but all have worked extremely hard.

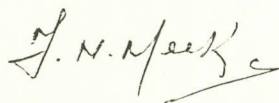

Our exchange system continued to flourish with John Dee and Danny Cummins going to New Zealand and Gary Urban and his wife spending a couple of weeks enjoying the Queensland hospitality of George & Barbara Houghton and Neville & Jill Newbold. The time has arrived where we need to share this duty around.

Since our last meeting a lot has been happening behind the scenes - thanks to Ces Menzies - resulting in a sponsorship being offered by BP Australia. We are extremely grateful to BP and ask our members to support that company in any way they possibly can.

We have decided against an annual dinner this year, partly due to the poor response over the past years; but next year being our twentieth year we are hoping to celebrate in a manner befitting our twenty years existence.

I conclude with a special thank you to the QJRU Management Committee for their continued assistance during the year and of course our gratitude as always to Roy Elmer. I thank all our members for their contributions and hope we see everyone back for the 1991 season.

Regards

FN Meek  
Honorary President

## QUEENSLAND JUNIOR RUGBY REFEREES ASSOCIATION

### The 1990 Season

A total of 1010 games were refereed by members of the association during the 1990 season. This represents a decrease of 89 games on the 1989 season. We also saw an increase of active members from 53 to 60. This came about as a direct result of 13 new members joining the ranks.

However, the problem of members failing to fulfil their appointments for one reason or another continued. A total of 49 referees failed to appear at the respective games. Combined with 379 amendments to the original appointments, the season past was not the most memorable.

To all those members who accepted additional games at short notice, my many thanks. I urge all members to seriously consider their position as to their availability for the coming season. A hard core of 40 referees who can be totally depended on, is far better than 60 members who may be available to referee.

Congratulations to the following members on "milestones" reached during the season.

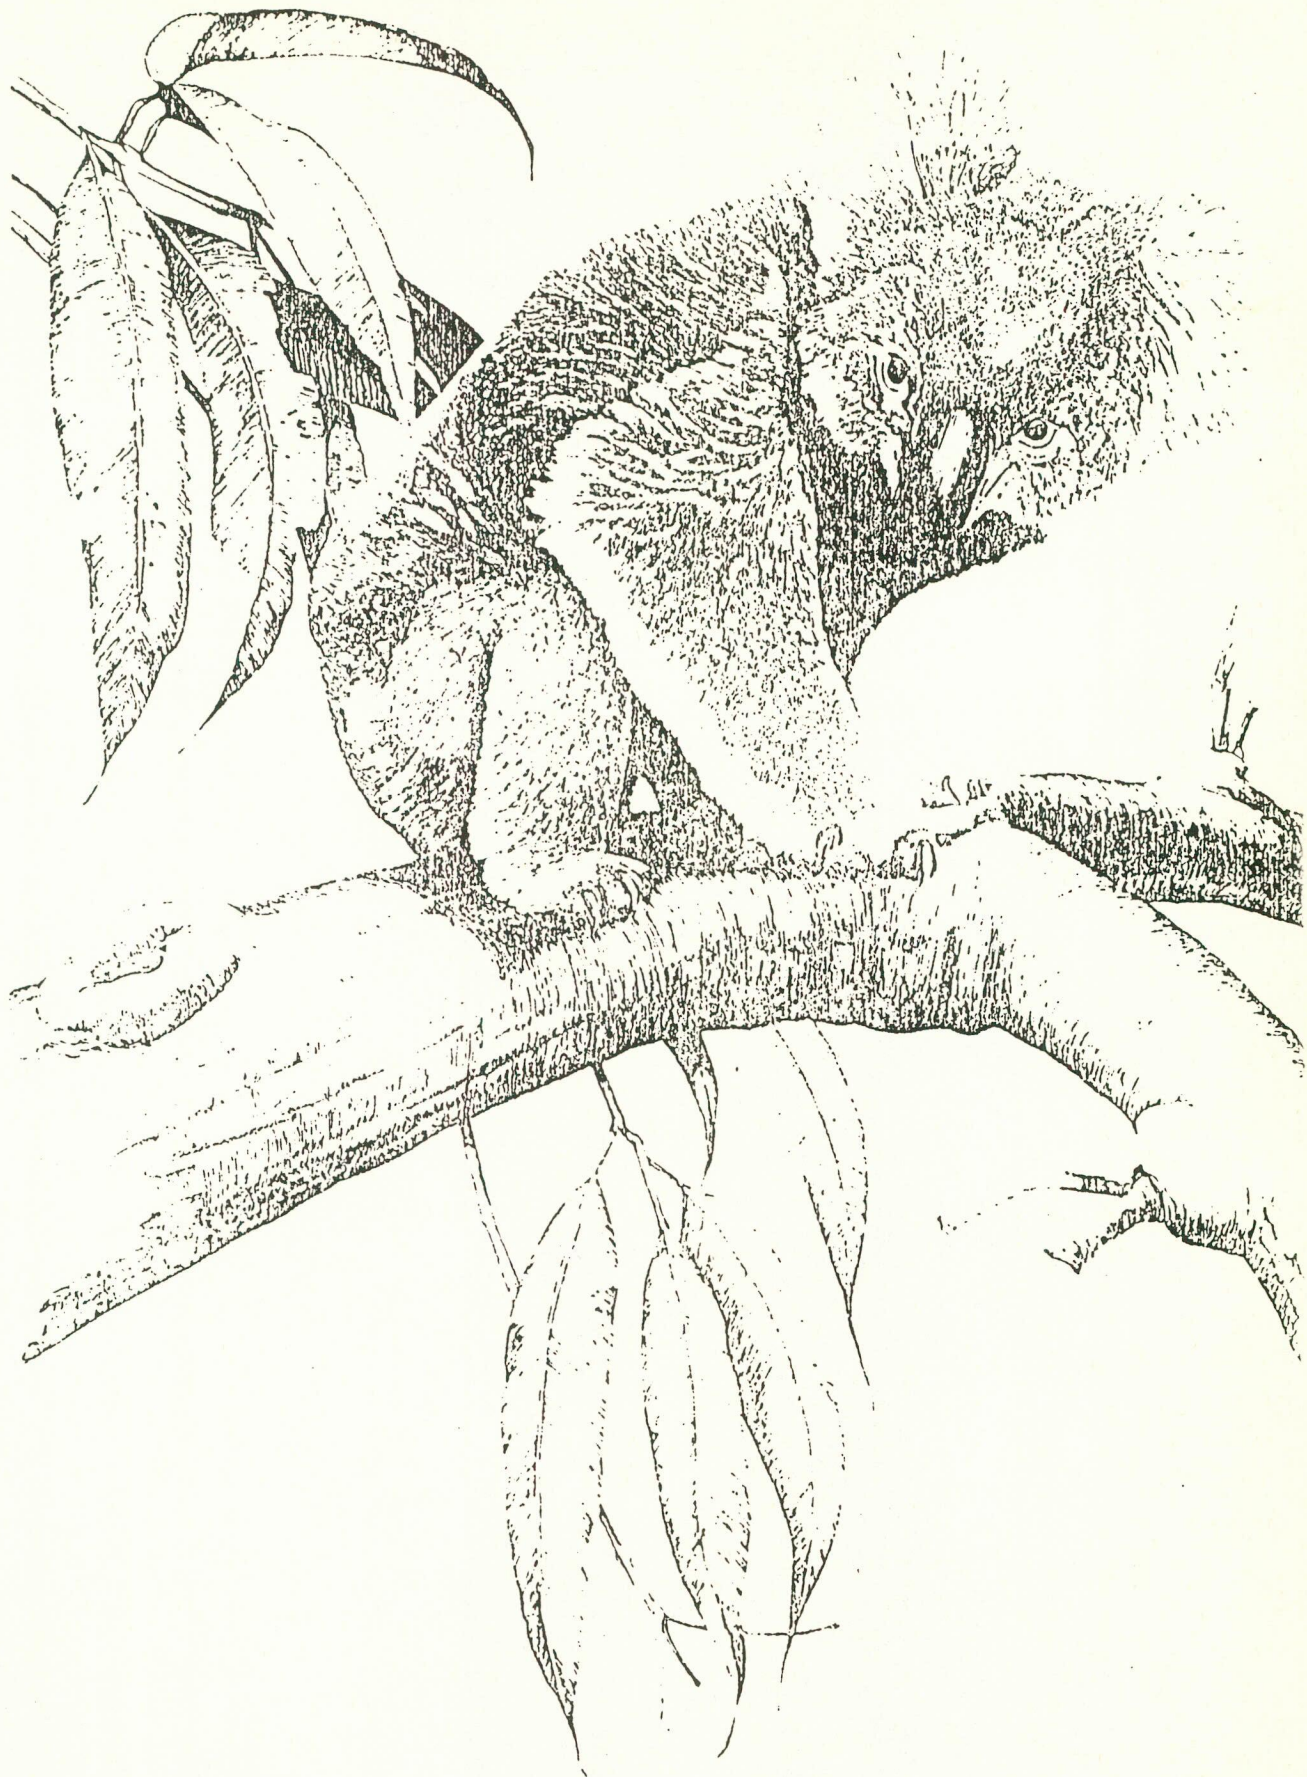

300 games	Frank Meek	100 games	Jeff Lawrence
250 games	John Dee		John Murdoch
200 games	Bruce McCosker		Gill Robinson
150 games	Rod Brockett	50 games	Paul Creevey
	Danny Cummins		Damian Murphy
	George Houghton		Rob Pearson
	Neville Newbold		John Raukette
			Roy Sargent
			Dan Simpkins
			Ray Zingleman

Finally, my thanks to all the schools and clubs who extended their hospitality during the season. Thank you to the Queensland Junior Rugby Union, particularly Roy, Elmer and Gabrielle. To Frank Meek for his continued support and assistance. To the incoming registrar my best wishes.

## NEW ZEALAND TRIP REFEREE'S REPORT

John Dee and I departed Brisbane on time for a cold and rainy Auckland and stayed at the Travel Lodge which turned out to be a very comfortable hotel. We left for New Plymouth the following morning and I was met by Frank Snowden who I stayed with for the next three days. That first Saturday, the 14th of July, I had two games, the first being a schoolboys match. They were about 14 years old. The second match in the afternoon was between the top Under 19s and the potential wooden spooners. That game ended up 66-4, but it was still enjoyable because of the change to International law. After the game Frank and his wife took me to a dinner which was put on by the Taranaki referees. On the 15th I left Frank's home and went to Hawera for a social game between two Brothers Schools. There I met up with Brian Crawford and his wife Jocelyn. Brian had just bought himself a dairy farm and it was great to get out of town to experience some other parts of New Zealand. His farm is just outside Rahu. At the time when I was staying with Brian he was in the middle of studying to become a New Zealand appointed referee. I was fortunate to be present at one of the meetings in which they discussed International Law. On the 20th Gary Urban, who was in Brisbane earlier put on a BBQ dinner at his home in Hawera. After leaving Brian and his wife's home I went and stayed with Clive Wheeler. Clive organised a game at a Primary School in which I met Taranaki's newest and highest ranked referee along with one of New Zealand's greatest halfbacks of the 1980s or so they say. In the lead up to my final game there was a lot of talk of high pressure because the two teams in the semi-final met the week before and the game ended in a nil all draw. The way it worked out the Under 19s game was the best game I have been able to referee. It was tough and the two teams took the rules to the limit and they played it at that high standard throughout the game. In closing I would like to extend my thanks to Frank Snowden, Brian Crawford and Clive Wheeler and their families for having me and being so kind to me. Last but by no means least all my thanks to those in our own Referees' Association for giving me the opportunity to go and experience New Zealand and their football first hand. It was an experience I will have for the rest of my life.

Yours sincerely

Daniel Cummins

## NEW ZEALAND REPORT.

After many years of resisting the prompting of my peers, I finally weakened and endured the hospitality of the world's second <sup>home</sup> of rugby - South Africa being, of ocurse, the first. As usual the hospitality and rugby were second to none, my only complaint being only eight games in ten days - it really was a bit of a rest camp!

Apart from a great rugby experience, it was also a learning experience - particularly for our young referee who took most of the flight over to discover that the drinks were free, just after the bar closed !!, and that the polite grey-haired blazered referees get upgraded to business class if they smile at the booking clerks.

It was a real pleasure to be greeted at New Plymouth by members of the Taranaki Referees Association, in particular, Roy Smith and Clive Wheeler who are past guests of ours - Roy has moved into senior A ranks and is, I believe, refereeing very well.

My first game was an U/21 match between Stratford and Inglewood, at which Graham Harris, who was over in 1988, kindly ran touch.

The match was transferred to the Inglewood High School where GRaham used to be caretaker because of wet grounds - and the delay in starting deprived me of my favourite pasttime, running touch for the first grade - oh dear !

An U16's schoolboy trial at Stratford High followed on Sunday, and a transfer to Waitera on Monday to Trevor and Rene Sharman. U/13 representative trials on Monday afternoon were followed on Tuesday by 2nd XV & 1st XV at Devon Intermediate. On Wednesday I was on the move again back to Stratford H.S. for coaching match between the High Schools 1st XV and an representative players team similar to the coaching squad that goes around GPS & TAS schools in Brisbane.

Gary Urbahn picked me up and took me to Harerawa to introduce me to his home brew.

Thursday included a trip into the back country to referee two spirited barefoot games. Friday Danny and I caught up with each other and showed Gary how lack of practice can can ruin a perfectly good golf course.

Saturday turned out cold and miserable, my game forfeited, however 4th grade was quickly handed over. Half-way through the first half, I discovered that 4th grade play the same domestic laws as U/21 - nice of them to tell me, however, I think everyone enjoyed the game !

The remainder of the day was spent watching Australia get thumped by the All Blacks with three hundred replays before we managed to finally get on the return flight.

It was a great trip. I must thank my hosts for their wonderful hospitality and pleasant games. One feature that got them all going was how, no matter what snow or rain clouds would hover over the football grounds when I arrived, these would magically part as soon as I blew my whistle, to return only after I left the field - eight games, and I was never rained on.

I would commend the interchange to all our members as a major goal to strive for during their years as members of the QJRRRA. My thanks to the QJRRRA for selecting me for this honour and to the QJRU for making it possible.

JOHN DEE.
